WINDSOR™, FOX40® & TWIST TECHNOLOGY Electronic Whistles

Electronic Whistles *The Sound of a Whistle . . . at the Push of a Button!*

WINDSOR™ Electronic Sports Whistles

8308

8320

NEW - Two Unique Models, each with:

- 2 AAA Batteries included
- Adjustable Wrist Lanyard included
- 4 1/4" L x 1 1/4" W x 1 1/2" H

Model 8308: Single tone – Pealess Whistle sound – Orange with Black trim

Model 8320: 3 Tones (including Pealess Whistle) – Grey with Black trim

- Each set of AAA Batteries produces more than 1000 blasts.
- Loud 105-dB Whistle sound can be aimed in the exact direction intended, and away from user.

Advantages of Electronic Whistles

- Loud, Consistent Sound Every Time, even if user is short of breath or injured.
- Personal Safety & Signaling Device – for Hikers, Hunters, Campers, Senior Citizens, Joggers, School Teachers, Boy Scouts/Girl Scouts, Security Guards and anyone who could benefit from carrying a whistle.
- Referees and Coaches – Easier to give verbal commands without a Whistle in user's mouth, yet with Whistle sound always "at the ready" to stop play or practice.
- Improved Hygiene – Hand operated instead of mouth blown is sanitary, even for multi users.

8040

**Introducing
A New Shape
Electronic Whistle**

Electronic Sports Whistle

Model 8040: 3 tones – (Including Pealess Whistle) – Blue/Grey with Black trim

Introducing the NEW

FOX40 Fingergrip "CAUL"

OFFICIAL BLACK F40CAUL

The New Fingergrip "CAUL"

F40CAUL: The Caul features a Low Profile Whistle Design that reduces the possibility of getting Snagged, along with a highly durable yet Flexible Rubber Form Fitting Fingergrip which Reduces Transfer of Impact Energy To The Hand. Truly a "Safety" Fingergrip.

A Referee Whistle Like No Other! It Addresses and Resolves Real-Life Referee Issues with other Fingergrip Whistles.

Named in Honor of the Late John McCauley, regarded as one of the best Referees in National Hockey League History.

- The Whistle is composed of a strong Polycarbonate body with an integrated co-molded Cushioned Mouth Grip built into the Whistle itself. Fox 40 has combined the pealess whistle and Fingergrip together in one continuous design.
- Fox 40 has evolved traditional pea-style beat Technology in to a pealess style whistle without compromising the traditional harmonized shrill tone. Delivers a crisp, loud sound and is extremely easy to blow.
- Available on "Official Referee" Blister Cards.

Orange Plastic - 12 per box

ACME Thunderer Metal & Plastic Whistles

World Renowned Thunderer Whistles

Acme Thunderer Whistles are officially approved by over 200 sports bodies and referees' associations worldwide, covering over 50 sports and recreational activities. They are used by referees of high school and college sports, and by professional referees in the NFL, the NHL, and other leagues throughout the world.

ACME Thunderer Metal Whistles

Made in England, these famous pea whistles have been popular for more than 100 years. Tide-Rider, Inc. has been importing and distributing Acme Whistles since the 1950's, and we offer immediate shipment of 27 different types.

The smaller the size, the shriller the tone and, conversely, the larger sizes provide the deeper and more resonant tones. Whistles designated "F" have a metal fingergrip that features a cushioned "Acme" grip to protect the users fingers.

- 60 1/2** Nickel Plated Brass - the smallest, shrillest, most popular whistle of the Acme Thunderer range. **Model F60 1/2** with fingergrip.
- 60 1/2PB** Polished Brass - "gold" tone for engraving and as a uniform accessory.
- 58 1/2** Large size, with deepest tone. **Model F58 1/2** with fingergrip, popular with NHL referees, now has exclusive "Gator Grip", a black rubber whistle cover that eliminates the need for taping the mouthpiece, providing safety and comfort for the users.

ACME Thunderer Plastic Whistles

The Acme No. 660 is plastic injection molded, and offers extreme value, lightness and ease of blowing. The 660 is the plastic version of the famous 60 1/2, and is available in Red as well as the standard Black. No. F660 is the black plastic 660 with a plastic fingergrip.

The Acme Thunderer plastic range, Nos. 560, 559, and 558, are solid compression molded, providing maximum resonance and strength. The larger the size, the deeper and more resonant the tone.

Acme Whistles are individually blister carded. Nos. 60 1/2 NPB, 660 Black Plastic, and 560 Black Plastic are also available packed one dozen per box.

ACME Tornado Pealess Whistles

The Acme Tornado Whistles offer all the advantages of pea-less whistles, with varying designs and degrees of pitch for more varied uses.

- T2000** The most powerful pealess Tornado Whistle. 3 Wind Chambers create ultra shrill tone, to cut through crowd noise, and a unique lower tone that provides additional penetration.
- FT2000** - Finger grip model.
- 888** Cyclone - 2 wind chambers create a powerful, shrill tone, even when blown more gently. User friendly with professional power.
- 622** A medium size plastic whistle with a square mouthpiece and a higher pitch than the 660, but with a softer trill than other pea-less whistles. **Model F622** w/fingergrip.
- 635** The original Tornado. Has a unique "L" shaped tubular design, with a shrill sound in between the 622 and the 623. Also known as "The Brazil"

ACME Dog Training Whistles

- 670** A small size camouflage plastic whistle, with a shrill sound.
- 210 1/2** A molded plastic whistle with a very high pitch. No cork ball.
- 211 1/2** Similar to 210 1/2, but with a standard high pitch. No cork ball.
- 212** Pro Trialer - Unique training design. Maintains a constant frequency regardless of how hard it is blown. Ensures dogs will recognize "their" whistle. No cork ball. Lower pitch.
- 535** The ultimate dog whistle! The Acme "Silent" Dog Whistle is nickel plated brass, adjustable in pitch so that, at its highest range, it is practically inaudible to the human ear. Individually blister carded, the No. 535 comes complete with cover and chain, and fully detailed training instructions.

ACME Specialty Whistles

- 15** The "Metropolitan". Modern-day version of the original Scotland Yard police whistle of 1870. Its sound can carry a distance of up to 1 mile. Individually boxed, the No. 15 comes complete with a short history of its use.
- 60 1/2GP** A special edition of the world famous Acme Thunderer 60 1/2 whistle, Gold plated, in a blue covered and lined presentation case.

3 "New Generation" Tornado Whistles!

ACME Dog Training Whistles

ACME Specialty Whistles

WINDSOR™ Whistle Lanyards

WINDSOR provides quality lanyards in many different styles. Most (except No. 200 lanyards) feature an end clip that swivels 360°. Shipped one dozen per WINDSOR display card. Also available Bulk, or with wooden adjustment slide.

400 "WINDSOR'S FINEST" BRAIDED STYLE LANYARDS

Soft Nylon material woven to a 6 warp thickness. The lanyard of choice for referees and coaches. Approx. 19" long, available in Black, and Assorted Colors (or Indiv. Colors) of Kelly Green, Gold, Navy, Red, White, and Royal.

500 WINDSOR 1/2" WIDE, WOVEN LANYARDS

A 1/2" wide lanyard, these are worn with ID Badges, Whistles, etc. Approx. 18" long, available in Assorted Colors of Navy, White, Royal, and Black. A soft, comfortable lanyard.

200 WINDSOR NYLON LANYARDS

A Good Quality lanyard at a lower price. Features include a 1 warp thickness, Approx. 17" length, end clip without swivel, and a black plastic adjustment slide. Available in Black.

200BK-BRK FOX 40 BREAK-A-WAY LANYARDS - New/Improved

Black Nylon Lanyards with Fox40 Name & re-useable Break A Way fitting. Similar end clip as #200 Lanyard. Suitable for displaying ID badges, etc., without damage to clothing, and reducing chance of injury if worn in proximity to machinery and during sports events.

325BK Smitty

NBA Style Referee Lanyard. "The Smitty Noose", with its unique adjustment device, leaves only a single cord below the device when tightened.

350BK Smitty

Approx. 7" length Smitty fits referee shirt with zipper.

350BK-V Smitty

Approx. 9" length Smitty is suitable for both referee type shirts, zippered and newer v-neck. The above Smitty's are the ORIGINAL short, black lanyards for officials, with a clip at both ends. Attaches whistle to zipper or special fitting on v-neck shirts. Shipped one dozen per WINDSOR display card.

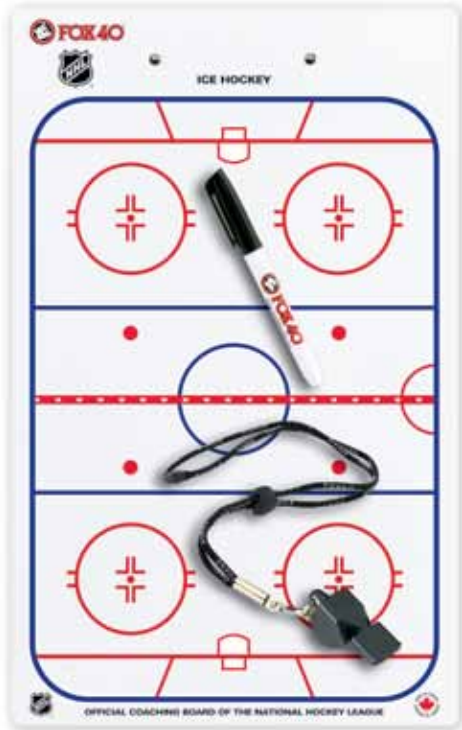

300BK WINDSOR "DOUBLE SNAP" (SMITTY STYLE) LANYARDS

Approx. 9" length black lanyard for officials, with a clip at both ends. Similar to #350BK-V above. (Not Shown)

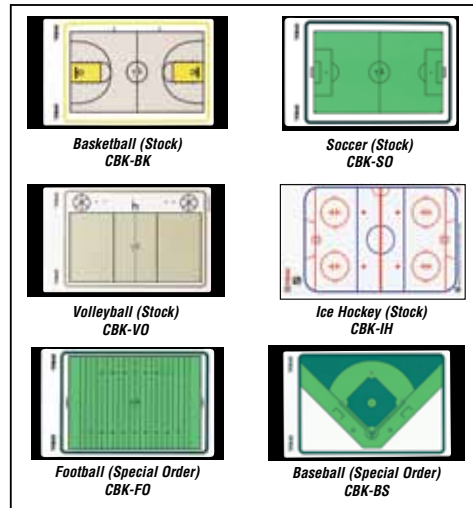

45BK WINDSOR NYLON WRIST LANYARDS

A soft 6 warp thick black nylon wrist lanyard, complete with wooden adjustment slide. Approx. 9 1/2" long.

**Pro Coaching Board Kit
CBK-IH**

The diagrams & colorings shown may change as the boards are updated and improved.

WINDSOR™ Tip Covers for Whistles

A thick, high quality washable mouthpiece cover that fits the ACME 60 1/2. CLARION, AND WINDSOR size whistles. Protects teeth from injury and enables metal whistles to be used safely outdoors during winter, as Tip Covers prevent lips or tongue from adhering to the cold metal whistle. Packed one dozen per box.

- 52RE RED TIP COVER**
- 52WH WHITE TIP COVER**
- 52RB BLUE TIP COVER**
- 52BK BLACK TIP COVER**

FOX40 Pro Coaching Board Kits

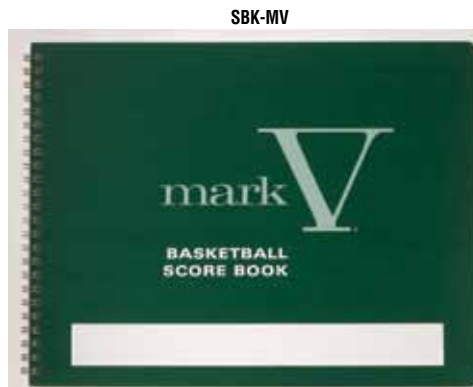

“Pro” Clipboards, with dryerase marker, Black Fox 40 Classic Whistle and Black Breakaway Lanyard.

A “must” for all Instructors and Coaches. Each colorful Pro Board features extra large 10" x 16" write-on/wipe-off surface on front and back sides. Full Court (field) on one side, Half Court (field) on reverse.

- Our Office Hours are 7 AM - 4 PM Pacific Time, (closed 11 AM - 12 Noon for Lunch).
- Our Policy is to ship orders for in-stock merchandise within 48 hours.
- Upon request, high priority orders received by 1 PM Pacific Time (4 PM Eastern Time) can normally ship that same afternoon.
- In an effort to provide the best possible delivery service, we utilize Federal Express Ground, United Parcel Service, and Parcel Post. We will automatically select the quickest, least expensive routing for each order.
- All rush delivery services: 3rd Day, 2nd Day and Next Day are available, as are special cost saving Hundredweight Services for shipments over 200 lbs.

Terms

- Net 30 Days (for credit approved accounts) F.O.B. Oakdale, CA.
- If immediate shipment of an initial order is desired, please use your American Express, Visa or Master Card, or send certified check or Postal Money Order for the full amount, plus 5% for shipping.
- A service charge of \$5.00 will be added to each order less than our \$75.00 minimum, and an add'l \$5.00 service charge for each drop ship less than our \$75.00 minimum.
- Past due accounts are subject to a finance charge of 1 1/2% per month (18% per year), but in no event higher than permitted by law in the state of destination. Orders will not be shipped to past due accounts.
- Prices are subject to change without notice. All orders are subject to acceptance by our Oakdale office, and will be invoiced at prices prevailing at the time of shipping.
- Authorized returns of saleable merchandise will be subject to a 15% restocking charge.
- Tide-Rider products are warranted for one year after date of purchase from Tide-Rider against defective workmanship or material when used for the purpose intended and under normal conditions, and provided proper care has been given. No merchandise will be accepted for return without prior authorization from our Oakdale office.
- Back ordered items will be shown on your original Invoice, and will be shipped automatically when in-stock. If you do not want these back ordered items, please notify us to cancel them. No deductions for freight charges will be allowed on back orders, or on back orders that are returned.
